#### 1. General

#### 1.1 Description

Fiber optic splice closure is mainly applicable to the straight-through and branching of aerial cables, buried cables and duct cables, as well as the protection on cables joints.

| Production type | Classification                         |
|-----------------|--|
| JB-101-144-8P   | Fiber optic splice closure (dome type) |

Appearance of JB-101-144-8P

## 1.2 Standards Comply:

| ITU L.13 | Performance   | requirements | for | passive | optical | nodes: | Sealed | closures | for |
|----------|---------------|--------------|-----|---------|---------|--------|--------|----------|-----|
| 110 1.13 | outdoor envir | onments      |     |         |         |        |        |          |     |

## 1.3 Applications Environment

| Item                     | Value           |
|--------------------------|-----------------|
| Operation temperature    | -40 ºC ~ +65 ºC |
| Installation temperature | -15 ºC ~ +40 ºC |
| Storage temperature      | -45 °C ~ +75 °C |

#### 2. Characteristics

- 1. Dome mechanical sealing with advanced internal structure design.
- 2. High performance plastic, suitable for outdoor use, good weather resistant and UV resistance.
- 3. Efficiently structure installation design save time when assembling.
- 4. Easy for re-enter, easy for maintaining.
- 5. with oval input port, pass through route with branch is compatible.
- 6. IP rate: IP68
- 7. Pole-mounted, aerial-mounted, wall-mounted, hand hole-mounted are appropriate.

#### 3. Specifications

| Item                                     | Specifications               | Note               |
|--|------------------------------|--------------------|
| Material of housing                      | High-strength PP+GF          |                    |
| Material of internal components          | High-strength ABS            |                    |
| Material of metal accessory              | High-quality stainless steel |                    |
| External dimension(mm)                   | Ф180*420                     |                    |
| Color                                    | Black                        |                    |
| Number of parts                          | 1 oval port                  |                    |
| Number of ports                          | 4 round ports                |                    |
| Fiber cable diameter of oval port (mm)   | 8-25 mm                      |                    |
